Me and my family

This is me. My name is ....................... . This book is my family book.

This is my family.
Families

Families are people
who care about you.
My family is special—
Your family is too!

Mothers and fathers,
And sisters and brothers,
Grandmas and grandpas,
And so many others!

One family is big,
While another is small.
Some families have children,
And some, none at all!

When we’re together,
Or far, far apart—
The people I love
Fill the map of my heart.
